Experience

○ **Jul 2024 - Oct 2024**

Philos Digital | Gulberg 3 Firdouse Market

Internship

During my internship, I learned how to develop and design websites using WordPress and Elementor. I gained hands-on experience in creating responsive layouts, customizing designs with CSS, and using plugins for different functionalities. I also improved my understanding of website structure, user experience, and basic optimization techniques. I am now confident in applying these skills to real-world projects and continuing to grow as a developer.

○ **Oct 2024 - Mar 2025**

Creative Code | Valencia Town, Lahore

Jr. Wordpress Developer

As a Junior WordPress Developer, I have gained hands-on experience in building and customizing websites using WordPress and Elementor. I am skilled in creating responsive layouts, applying CSS for design improvements, and working with plugins to add functionality. I am eager to continue learning, improve my development skills, and contribute effectively to real-world projects.

○ **May 2025 - April 2026**

Devzaic | Remote

Wordpress Developer

With one year of experience as a WordPress Developer, I have developed and customized responsive websites using WordPress and Elementor. I have strong skills in CSS for design customization, experience working with plugins, and a good understanding of website structure and performance optimization. I am confident in handling projects independently and continuously improving my skills to deliver high-quality websites.
